

TiE summit to focus on biz ecosystem

BUSINESS BUREAU

Hyderabad: AP Governor ESL Narasimhan on Wednesday inaugurated three-day Entrepreneurial Summit being organised by The Indus Entrepreneurs (TiE) at HICC in the city.

The annual conference which is into its eighth iteration and came to the city for the first time will focus on entrepreneurial ecosystem.

Earlier in the day, three parallel sessions and workshops were organised for entrepreneurs. In the workshops, several idea-stage and early-stage startups got insights from industry captains, venture capitalists, private equity players and international achievers. A full-day workshop called 'Smashup' focused on early-stage startups while Leadership Connect 2.0 concentrated on business acceleration and executive leadership for startups.
